## DAY 1

Join your *Spain: Landscapes from the Camino de Santiago* tour. Hike

## Quebrada Natural Park. Travel to Santillana del Mar

*Costa Quebrada. 3 miles, easy to moderate. Travel to Santillana del Mar*

After breakfast, there may be time for you to visit the Guggenheim Museum before you meet your leaders at 12:00 p.m. in the hotel lobby. Please have lunch before we meet or get some quick *tapas* at the *tabernas* close to our hotel, as lunch today is on your own.

Your leaders will be wearing Country Walkers shirts. Please be dressed for walking. Hiking shoes are required.

Travel one hour and 20 minutes to the outskirts of Santander and the heart of the Natural Park of Costa Quebrada in Spain's stunning Cantabria region. Here, dramatic cliffs, arches, islets, and coves tell a dramatic and unique story of the interplay of coastal rock formations and the ebb and flow of the tides. This is a spectacularly scenic corner of Spain.

Begin your Spanish amble on an easy scenic coastal trail along open pastures on a gravel road. Soon, the breathtaking Covacho beach appears, where crystalline waters kiss at a spit of sand that reaches out to a rocky islet. There'll be time to admire this remarkable vista before continuing to the Playa de Arnia. Here, magnificent rock formations rise just offshore. Some form parallel striations just above water and others rise up to massive walls.

Your walk traces a single-track pathway along one of the most impressive coastal vistas in Northern Spain, the Senda del Litoral. This stunning trail is an alternative route to the Camino Norte, one of the many pilgrimage routes to Santiago de Compostela from points north.

At trail's end, you travel to one of Spain's most beautiful villages, Santillana del Mar, rubbing shoulders with many Camino pilgrims who overnight here. After settling into your first *parador* – part of Spain's network of historic buildings gloriously restored into stunning hotels – join an illuminating walking tour of this eighth-century town. Stroll among the ochre-hued mansions and palaces as your leader regales you with legend and lore.

Back at your *parador*, get acquainted with your travel companions over a welcome drink. Then, head to the hotel's formal restaurant for a dinner of delectable regional specialties, paired with local wine.

**Included Meals:** Breakfast, Dinner

## DAY 2

### Travel to Asturias. Walk the coastal Camino Norte. Cheese tasting and lunch at farm *taberna*

*Coastal Camino Norte; 5-9 miles, easy to moderate, 600-ft. elevation gain and 400-ft. elevation loss*

After a hearty breakfast, travel 40 minutes to one of the most magnificent coastal regions of the Principality of Asturias. Here, you follow an invigorating footpath along the Camino Norte, one of the most spectacular segments of the Camino. Your seaside route traces open pastures and a series of cliffs, where you might meet sheep, cows, and horses. As your walk gets underway on flat trails, you pass several green pastures and tiny villages before arriving at an overlook that affords sweeping views of the sea. Continuing on, pause for lunch at a local *taberna* in Puertas de Vidiago. Here, owners Tensi and Manolo tend to sheep and cows and make cheese the traditional way. You sample some during a cozy, intimate lunch, and savor their homemade cheesecake for dessert.

Sounds of the sea accompany you today as you keep an eye out for the many seabirds that reside here. If there's time, avid walkers may continue about two hours to the Mirador de la Boriza, a concrete "stairway to nowhere." Climb the steps for fantastic vistas. You pass the beloved Bufones de Arenillas sea geysers. If you're lucky, the tides will be strong enough in the caves below to shoot water upward through holes in the rock. Alternately, take a short ride to Llanes, a charming village overseen by the long, limestone ridge of the spectacular Sierra del Cuera. Explore on your own here, perhaps seeing the town's medieval tower and the Gothic Santa María del Conceyu church.

Later, gather at your next stunning parador in Cangas de Onís, gateway to the soaring mountains known as the Picos de Europa. Enjoy local Asturian dishes and Spanish wine for dinner in the hotel restaurant.

**Included Meals:** Breakfast, Lunch, Dinner

## DAY 3

### Walk along Sella River to Cangas de Onís. Shepherding demonstration. Evening cider tasting

*Cangas de Onís; 4-6 miles, easy to moderate. 4 miles, easy, optional loop above Cangas de Onís; 1.5 miles, moderate*

Start your day with a pleasant, easy walk along the Sella River, perhaps catching glimpses of morning kayakers or swimmers in the waters below. Your destination is the center of Cangas de Onís, renowned for its perfectly preserved Roman arched bridge. This was the site of the pivotal Battle of Covadonga in 722, the conflict that jumpstarted the *Reconquista* and established the Kingdom of Asturias. If you wish, take an optional 1.5-mile walk above the village through forests and tiny hamlets.

After lunch on your own, you retrace your steps back to the parador to meet a local shepherd, his border collie, and their rare Xalda sheep. Your new friends demonstrate the fine art of sheep-herding, showing you how these highly trained dogs communicate with man and sheep.

After, there'll be time to explore your historic parador and its beautiful natural setting. Perhaps you might also take a dip in the river. This evening, learn about the local distilled cider produced from the abundant apple orchards around town. Then savor dinner together in Cangas de Onís.

**Included Meals:** Breakfast, Dinner

## DAY 4

### Walk the coastal Camino Norte. Travel to Villafranca de Bierzo in Castilla y León

*Camino Norte; 5-8 miles, easy to moderate, 540-ft. elevation gain and 1,480-ft. loss. Travel to Villafranca de Bierzo*

After a bountiful breakfast, travel to a gorgeous overlook to admire panoramas of mountains and sea. From here, you descend to the beach through misty pine groves, lush heather, and fields strewn with rocks. If weather allows, enjoy a beach picnic to close out the morning. Then, travel to Castilla and León. We'll break up the three-hour drive with scenic stops along the way.

Arrive in Villafranca de Bierzo, the region's "Little Compostela." Dripping with medieval and Jacobean character, this charming town is one of Spain's official Assets of Cultural Interest for its enormous monumental complex. It has also historically welcomed pilgrims who are too ill or injured to continue to

Santiago de Compostela. During a walk with your leaders, discover its 16th-century castle and the Collegiate Church of Santa Maria. At the Church of Santiago the Apostle, step through the Door of Forgiveness, which offers those injured pilgrims the same indulgence they receive at the door at the Cathedral of Santiago de Compostela.

The remainder of the day is free for you to relax by the pool, take a sauna, or unwind with a glass of wine on an outdoor terrace. Enjoy local dishes from Castilla and León, accompanied with local wine from Bierzo at your leisure in the hotel restaurant.

**Included Meals:** Breakfast, Lunch, Dinner

## DAY 5

### Walk into Galicia from Las Herrerías to O Cebreiro on the Camino Frances. Travel to Monforte de Lemos. Celtic Queimada demonstration.

*Las Herrerías to O Cebreiro; 5 miles, moderate, 2,000-ft. elevation gain. Travel to Monforte de Lemos*

After breakfast, travel to your next trailhead in the hamlet of Las Herrerías. Today's walk along the Camino Frances delivers you to the spectacularly scenic and culture-rich region of Galicia, where you leave behind Mediterranean vegetation for countryside that evokes the British Isles – verdant pastures and ancient gray granite stone. Begin on the flat terrain of a lush valley. Then ascend up gentle slopes along a path bordered by moss-covered stone walls and shaded by chestnut trees. After you pass through the village of Fada, the wooded area opens to vistas of forest along the Atlantic coast.

Walk through the village of Laguna de Castilla and, soon after, cross the border from the province of León into Galicia. Your walk ends in the town of O Cebreiro, with its panoramic views over the province and the Royal Saint Mary's Church, built on the foundations of a pre-Romanesque church. Perhaps most importantly, you pause for a lunch of Galician specialties at an ancient hostelry. A Roman road predated the Camino here, and the *pallozas*—prehistoric stone homes—provide evidence of earlier people in the region.

After lunch on your own, the stunning snowcapped mountains of León serenade you as you travel to Monforte de Lemos. Upon arrival at your next parador, take time to stroll the beautiful gardens or have a

swim in the pool. This evening, gather to learn about the Celtic tradition of Queimada, a blend of distilled spirit and citrus that is sometimes served with an incantation. Later, retreat to a private room in the parador and dine on exquisite Galician cuisine with an excellent wine from the Ribeira Sacra wine growing region.

**Included Meals:** Breakfast, Dinner

## DAY 6

### Hike the vineyards of Ribeira in Canyon de Sil. Wine tasting in local family-run winery

*Canyon de Sil; 5 miles, 800-ft. elevation gain and loss, easy to moderate*

After a leisurely breakfast, take a short drive to the Canyon de Sil, a deep, dramatic gorge considered the most spectacular vista in Galicia. Its walls soar some 1,500 feet above its river, creating a unique micro-climate that allows olive trees and grape vines to grow in abundance. Your walk begins above the cliffs through ancient chestnut and oak forests, then traverses the pathways of steep vineyards. Pavement, steps, and ramps point the way as you explore an environment where it's as challenging to prune the vines as it is to harvest the grapes. Machinery cannot manage these slopes, so it is all done by hand.

After a revitalizing hike, you tour the family-run winery of Adegas, concluding your visit with a tasting of one of the most prestigious wines in Spain, accompanied by local farm products. Later, return to your parador to unwind before you reconvene for a walk to Monforte de Lemos. Here, explore with your leader the old Jewish Quarter, a warren of cobbled lanes where craftsmen and men of letters kept shops and offices on streets such as Calle Zapaterías. Dinner is on your own this evening, perhaps in town after your tour concludes.

**Included Meals:** Breakfast, Lunch

## DAY 7

### Walk into Santiago de Compostela on Camino Finisterre

*Arrival in Santiago de Compostela. Camino Finisterre to Cathedral; 5 miles, easy to moderate, 600 ft. elevation gain and 400 ft. elevation loss*

After breakfast, travel west past Santiago de Compostela. You arrive in Roxos to begin your final walk to the revered city, the most beautiful approach for its Fluvial Path along a tranquil stream and its well-preserved ancient mills. The Camino Finisterre leads you through Galicia at its most remote. You pass through fragrant eucalyptus forest, traverse rolling pastures and open fields, and stroll through tiny villages unchanged by time. Though you are surrounded by such sylvan beauty, the city and its sublime Cathedral are not far away.

Once in Santiago de Compostela, you make your way through the Old Town to the venerated Cathedral. Narrow granite-cobbled streets loop past the Plaza de Cervantes with its small statue of the writer, and on to the Plaza de Obradeiros, overlooked by the Cathedral's main façade. The grand plaza is crowded with pilgrims who have walked for weeks or even months. After time to absorb the ornate splendor, you step into your final parador, the spectacular Hostal de Reies Catolicos, with its privileged location right on the plaza. Once you settle in, lunch is on your own in the lively pedestrian Old Town, designated a UNESCO World Heritage site in its entirety for its wealth of historical buildings.

If you wish, you may plan to attend the daily mass at the Cathedral, a breathtaking gathering, both for the Cathedral's grandeur and for the sense of accomplishment and emotion in the pilgrims who have arrived here from the many Camino routes. The *peregrinos'* final steps lead to the statue of Saint James at the Cathedral's entrance.

This evening, gather at your parador for a very special farewell dinner in an elegant private room we've reserved for the occasion. Toast your spectacular week in Northern Spain and dine on a delectable meal of local specialties.

**Included Meals:** Breakfast, Dinner

## DAY 8

### Walking tour of Santiago de Compostela

After breakfast, meet a local guide for a walking tour of Santiago de Compostela, including entrance to the Cathedral. Construction of this Cathedral, now a UNESCO World Heritage site, began in 1075 over the remains of a pre-Romanesque church. Expansion and embellishment continued from the 16th through the 18th centuries as it gained importance as an Episcopal see and place of pilgrimage—the third most important destination for Christians after Rome and Jerusalem.

The remainder of the day is yours to explore this captivating city and its splendid Cathedral. We provide you city information to help you plan your time.
