Begin your adventure by departing from a convenient gateway city in the United States or Canada. Spend your first night aloft.

DAY 2: Arrive in Naples, Italy. Begin your Tour Extension

Upon arrival at the Capodichino Airport in Naples, Italy, a representative holding a Country Walkers sign meets you and helps you transfer (approximately 30 minutes) to your Naples hotel.

If you are going to be delayed meeting our transfer representative for more than 15 minutes due to delayed or lost luggage, please let our driver know by calling or sending a text message to +39 340 952 5525. The driver is generally able to wait for up to 45 minutes from the time your flight lands, after which you would be responsible for your own transfer. You may also contact Allianz Global Assistance to advise of your delay, and they will contact our transfer company.

Please note: If you arrive early, your hotel room may not be available until 2:00 p.m., in which case you may store your luggage with the reception desk.

At the hotel, your Country Walkers representative will be available at 6:00 p.m. to answer your questions and help you organize your time in Naples. Please make sure to arrive promptly at this time since optional activities, like a city walk, will also be discussed to help you make the most of the city. The activities will start the next day, and the cost will be shared among the number of participants. The rest of the day is free

to discover and dine on your own, using the Country Walkers City Information as your guide. The area is full of wonderful options for dinner.

Please note: County Walkers transfer times and departure points are finalized in advance and cannot be modified for individual guests. If you fly in earlier than the scheduled program dates, transportation from the airport will be at your own expense.

DAY 3: Full day in Naples

Continue to explore Naples on your own. In about three or four hours of walk from your hotel, you will encounter many fascinating sites, all fairly close to each other in the heart of the city. Head towards Piazza del Plebiscito, past the Palazzo Reale and stop at the Gran Caffè Gambrinus to enjoy the experience of an invigorating, true Neapolitan espresso. Walk down what is called Spaccanapoli (a street cutting Naples in half from west to east, officially named Via Benedetto Croce), visit the complex of Santa Chiara and its convent, Chostro delle Clarisse, featuring a spectacular annexed cloister decorated with ceramic tiles. In the same square stands the Basilica of San Domenico Maggiore, built between the 13th and 14th century. A special spot worth a visit is the Cappella Sansevero. There is so much to see in this city!

DAY 4: Full day in Naples

Continue your exploration of Naples at leisure visiting the Archeological museum, for example. Maybe plan a visit to **Mount Vesuvius** or **Herculaneum**. On Mount Vesuvius, you must walk one mile uphill along the side of the crater to reach the rim at 1,281 meters altitude. From there—on a clear day—you can enjoy unrivalled views of the Gulf of Naples, the Sorrento Peninsula and the islands. If you are interested in archeological sites, then consider Herculaneum. Like Pompeii, the wealthy city of Herculaneum was completely buried—and exceptionally well preserved—under a layer of mud and lava more than 25 meters thick. Besides the many villas that were excavated, other highlights include the House of the Deer and its statues, the thermal spas of the Forum and the Palestra.
