### DAY 1: Arrive in Savannah

Make your own arrangements for travel to Georgia. Take a taxi to your Pre-tour hotel, the Andaz Savannah. The rest of the day is at your leisure (no meals included).

Country Walkers provides you with City Information including recommendations on what to see and do in Savannah during your stay.

Heralded as “America’s best walking city,” Savannah displays a welcoming grace and culture with the appealing ambiance of a small town. In the historical district, wander 30-acre Forsyth Park, and photograph its famed 1858 fountain. Get a taste of savory southern cuisine in the four-block, open-air City Market. And for the daring, Savannah has plenty of beautiful, colonial cemeteries (said to be haunted) to explore.
