### DAY 1: Full day in Victoria

Enjoy breakfast at your hotel before venturing out for a full day of exploration. Local gardens, galleries, and museums are all within walking distance. The hotel also offers complimentary bikes should you wish to take one out for a spin along the harbor. An Inner Harbor stroll will take approximately one to two hours, taking you through wide pedestrian streets. You may see whales playing in the open water as you walk past the Royal British Columbia Museum and the Parliament Buildings. You may take a free guided tour of the Parliament Buildings, or you can take a self-guided tour.

For a different taste of Victoria, head to Craigdarroch Castle to sample the Victorian life. This impressive castle is about a mile east of the Inner Harbor and offers magnificent views of the downtown city; admission includes an audio guide.

While there are many wonderful restaurants in the city, one that Country Walkers staff have enjoyed is Spinnakers Gastro Brewpub which provides an excellent farm to table meal with a strong pint.

(Lunch, dinner, and all activities are on your own today and not provided by Country Walkers.)
