DAY 1: Tour concludes. Transfer to Cape Town

On the final day of your *Botswana & Zambia Safari: Victoria Falls to the Okavango Delta* adventure, fly from Maun, Botswana, to Cape Town, South Africa. Upon arrival, a representative greets you and transfers you approximately 30 minutes to your elegant home for the next three nights.

If you are going to be delayed meeting our transfer representative for more than 15 minutes due to delayed or lost luggage, please contact Allianz Global Assistance to advise of your delay and they will contact our transfer service on your behalf. Our drivers are generally able to wait for up to 45 minutes from the time your flight lands, after which you would be responsible for your own transfer.

Upon arrival, you have time to settle in and venture out for some exploration. Country Walkers provides you with City Information that includes recommendations on what to see and do in Cape Town during your stay. Head to the Victoria & Alfred (V&A) Waterfront, South Africa's oldest working harbor and now a lively promenade with an array of shops and restaurants. The oldest urban area in South Africa, this vibrant and diverse city was founded by the Dutch East India Company as a supply station for ships sailing eastward. Visit some of the city's beaches, art galleries, and museums. Cultural and historic treasures are on display at the National Library, SA Museum, National Art Gallery, and Jewish Museum.

While walking during the day is generally considered safe in this area, we recommend using a taxi or Uber

after dark or if venturing out alone.

DAY 2: Independent exploration of Cape Town

After breakfast, spend the day as you wish to explore the diverse cultures and rewarding sights of Cape Town. Ascend the iconic Table Mountain, towering 3,300 feet above sea level. The “Rotair” cable car to the summit rotates 360 degrees, providing spectacular views of the city and its astonishing natural surroundings. At the top, you can select from a number of walking paths that provide more splendid vistas and an orientation to the city below.

After lunch, continue to explore the city on foot. Walk past the 17th-century water reservoir, the historical Grand Parade adjacent to the Castle, the old Drill Hall, City Hall, the flower market, and the impressive Standard Bank Building. Pause to learn about the Greenmarket Square, the Groote Kerk, and the original Slave Lodge. Walk through history when you pass St. George Cathedral and enter the former Dutch East India Company Garden, a green oasis in the middle of town —founded in early trading days. A drive through the Bo-Kaap will introduce you to the historical Muslim section with its quaint, colorful houses.

This evening offers dinner options abound, with many favorite restaurants just minutes away on Kloof Street.
