DAY 1: Tour concludes. Travel to Cape Town. Begin your Post-Tour Extension

Rise early with the sun to soak up your last moments in this special place. Join your guides on a final game drive or walking safari in Botswana, with one more opportunity to witness the fantastic mix of wildlife in the Delta. After breakfast, you bid your hosts farewell and travel to the airstrip to board a 15-minute flight to Maun where you will connect for your flight to Cape Town, South Africa. Upon arrival, a representative greets you and drives you approximately 30 minutes to your elegant home for the next three nights.

If you are going to be delayed meeting our transportation representative for more than 15 minutes due to delayed or lost luggage, please contact Allianz Global Assistance to advise of your delay and they will contact our transportation service on your behalf. Our drivers are generally able to wait for up to 45 minutes from the time your flight lands, after which you would be responsible for your own transportation.

Upon arrival, you have time to settle in and venture out for some exploration. Country Walkers provides you with city information that includes recommendations on what to see and do in Cape Town during your stay.

Head to the Victoria & Alfred (V&A) Waterfront, South Africa's oldest working harbor and now a lively

promenade with an array of shops and restaurants. The oldest urban area in South Africa, this vibrant and diverse city was founded by the Dutch East India Company as a supply station for ships sailing eastward. Visit some of the city's beaches, art galleries, and museums. Cultural and historic treasures are on display at the National Library, SA Museum, National Art Gallery, and Jewish Museum.

While walking during the day is generally considered safe in this area, we recommend using a taxi or Uber after dark or if venturing out alone.
