

## Country Walkers Guest Participation Agreement

I have chosen to participate in an adventure trip offered by Xanterra Adventure Companies, LLC doing business as Country Walkers scheduled to begin on month/day/year \_\_\_\_\_ (the "Program").

In consideration for the right to participate in the Program, I agree as follows:

**Statement of understanding.** Although Country Walkers has made reasonable efforts to protect my safety while participating in the Program and activities offered as a part of the Program, I understand that there are certain risks, dangers, and hazards that are inherent to participation in the Program. These include, but are not limited to, physical and mental fatigue; slips, falls, and collisions; encounters with wild animals, varied terrain, and environmental features; altitude related illness; changing weather conditions; natural disasters; criminal acts of third parties; acts or omissions of the public or other Program participants; accidents occurring during travel associated with the Program; and in the current state of the world, possible exposure to the COVID-19 virus. Encountering these risks, dangers, and hazards could result in physical injuries or illness or damage to personal property. I understand that it is impossible for Country Walkers to list in this Agreement every inherent risk, danger, or hazard associated with participating in the Program. I understand and appreciate, however, that I may encounter these and other inherent risks, dangers, and hazards not specifically listed in this Agreement at any time during the Program.

**Assumption of the risk.** I accept and assume all of the inherent risks, dangers, and hazards associated with participating in the Program, whether known or unknown, including those specifically identified above.

**Responsibility for Conduct:** I accept and assume responsibility for injuries and damages caused to myself and others arising from my own conduct while participating in the Program. I understand that Country Walkers accepts and assumes responsibility for its own negligent or reckless conduct, but that with respect to the COVID19 pandemic Country Walkers only accepts and assumes responsibility for its gross negligence or reckless conduct, not negligence. Also, I agree Country Walkers is not responsible for the conduct of third parties, such as providers of transportation, food, beverage or lodging. I release Country Walkers from liabilities not expressly assumed in this paragraph. Nothing in this Participation Agreement shall be interpreted as my releasing Country Walkers from liability for injuries, damage, death, or other loss to me or others that may occur within the jurisdiction of the National Park Service and is caused by Country Walkers' negligence, gross negligence, recklessness, or intentional conduct, including but not limited to any negligence with respect to Country Walkers' judgments and decisions, or Country Walkers' failure to take reasonable precautions to ensure it provides defect-free equipment.

**Fitness to participate.** Country Walkers recommends that I consult with a physician before participating in the Program. It is my own responsibility to determine whether the Program is suitable for me. Country Walkers also strongly recommends I verify that my medical insurance will be honored in the countries in which I will travel for the Program.

**Equipment.** Country Walkers may provide me with equipment for my use during the Program. Country Walkers checks this equipment before each tour; however, I am responsible for checking the equipment upon receipt, as well as alerting my tour guides/local representative of any change in the condition of the equipment that may occur during my use. I understand that I am in exclusive control of any such equipment once Country Walkers provides it to me.

**Additional terms.** Additional terms and conditions apply to the Program. These are available for review at <https://www.countrywalkers.com/terms-and-conditions/>, and are incorporated into this Agreement by this reference. I understand Country Walkers may update these terms and conditions from time to time to reflect changing requirements related to the COVID-19 pandemic.

**Program Changes.** Country Walkers strives to maintain the Program as originally advertised. On occasion, conditions beyond the control of Country Walkers may necessitate changes, modifications, or alterations to the Program's itinerary; the substitution of accommodations; or the omission or substitution of specific advertised activities. Country Walkers may make such decisions in its sole discretion and is not responsible or liable for any expenses or losses that may result from those decisions. Country Walkers additionally reserves the right to restrict participation in the program or any activity associated with the Program in the event it determines that participation may affect, impede, or endanger my welfare, or the welfare or enjoyment of another participant. Country Walkers is not responsible for any losses or costs that may result from exercising this right.

**Governing law and forum selection.** This Agreement is governed in all respects by the laws of the State of Colorado, which is the state in which Country Walkers' parent companies are headquartered. Any claim or dispute related to the subject matter of this Agreement must be resolved exclusively by a state or federal court located in the State of Colorado.
