Choose Your Destination, Organize Your Group, and Save Big

Group Organizer Responsibilities

Your only responsibility is to gather your group for your chosen departure date. We handle everything else—reservations, customer service, and all needs while on tour.

Minimum Group Size: Group compensation is earned with at least nine paying guests. For an exclusive group departure, a minimum group size of 17 people is required.

Earn a Free Trip: Simply gather a group of 10 travelers plus yourself guided walking adventure and as the 11th guest of the group you will qualify for our free trip reimbursement.

Group Organizer Rebate Calculation: For Guided vacations, the Group Organizer discount is calculated based on the Tour Only package price. It does not include air package costs, single supplements, Travel Protection Plan, air upgrades, cabin upgrades, business class upgrades. Please note: The Group discount cannot be combined with the Refer-a-Friend Program, Promotional Discounts, or Web Specials.

Group Organizer Reimbursement: You can expect to receive your check in the mail approximately two weeks before you depart.

How do my Group Members Make Reservations: Your Group Tour Manager will provide you with a Group Number and custom flyer after you have selected a tour and departure date. Your group members should call our Tour Consultants and reference the Group Number when making a reservation.

Country Walkers Groups Booked by Travel Advisor: Travel advisor groups are not combinable with our direct Group Travel Program benefits. Travel Advisors discounts are not available on direct Group Reservations and will not be considered part of the total group count for the purpose of rebates. Please contact us for more information on our Travel Advisor Groups Bonus Program.
